

2019 & 2020

Report

President's Message

What an interesting couple of years it has been!

2019 was filled with success and failure, Fortunately the successes were significant and the failures minimal, however the lessons learnt have been invaluable. It is important for us all to continue to learn and grow each year.

I would like to express a desire for the development of the roles with the board. It would be wonderful to witness the holders of these positions to develop their portfolios with 'ease of operation and future planning' in mind. No one person is an expert in everything!

Unfortunately, 2020 was unkind to all sports with tournaments and championship events having to be cancelled due to the ongoing global pandemic. NSW Darts has never experienced a situation such as this and took the year off from play to improve our administration and increase our versatility.

It was during this year that NSW Darts began development of a Tournament package that will be rolled out this year. This includes frames, boards and the lighting necessary to host an event as well as the technical equipment such as a laptop and printer for all the necessary draws. iPads for electronic scoring were also purchased, 20 of which are included in the package. This can be taken to wherever you want to play in our own NSW Darts trailer – all you must do is hook it up and go! This will see venues able to host a tournament without having to have the required boards on site. A massive step forward and the realisation of a long-term plan for NSW Darts.

Unfortunately, the last 18 months has seen some significant losses for NSW. These include the loss of our long time Board of Director and Former Junior administrator Chris Delbridge. Chris has been involved in NSW Darts for as long as I can remember, through Juniors and then Senior darts. She held many roles and will always be remembered by those who knew her as a fierce competitor and supporter of the Junior movement.

Also lost to the organisation was Dot Shipman who recently passed. Dot was the Chairperson of NSW Juniors for many years and saw the movement through difficult times. In the Southern Highlands region, she was extremely well known as an advocate for all players and a great supporter of local darts. She is truly a loss to all who knew her and had the privilege of working with her. The memories of these ladies will live on through the organisations legacy of supporting every player regardless of skill or position.

I would like to welcome everyone back to NSW Darts in 2021 as we look forward to a successful year of darts. With the implementation of planned changes this year is shaping up to be a wonderful, productive and successful year. All we need to do is remember that it is about darts and the dart players. We will reward loyalty with loyalty and ensure that memberships to Darts NSW is valued by all who play our wonderful sport.

Yours in Darts

Greg Clegg

Senior State Representative Team

Thank you to all those who trailed in hopes of competing in the 39th Australian Championships held in Moama.

Your team for 2019

Back: Mark Lennard, Luke Hudson, Darren Oliver, Graham Parker, Luke Wilson, David Clegg (Captain), Mitchell Clegg, Greg Clegg (State Team Director/Coach) Liam McLennan, Ray Keyes (Committee Member)

Front: Michele Hall, Karen Murray, Anne Cooley, Emily Austin (Captain), Karen Barwick, Sarah Harrison, Melissa Harrison, Leanne Wilson

Thank you to those who joined the team in Moama and offered their support and assistance – Craig Rolfe & Roy Murray – and to those who sent messages of support!

The Australian Championships this year were hosted by Darts Australia and saw the introduction of Darts Connect for the scoring of all games. As a result, players recorded 3-dart averages. It also saw the return of the pure knockout draw for the doubles event.

Detailed below are some of the standout results however more information can be found in the 2019 Championship Report.

Peter McMenamin Cup

Congratulations to Mitchell Clegg who recorded an average of 73.54 and winning 67% of his games in this event.

Leanne Wilson showed her strength competing in a 5-way playoff to determine the winner of the Ladies Gold division. Unfortunately, a place in the final slipped through the teams' fingers after a nail-biting game.

Australian Singles

Congratulations to Karen Murray in her strong campaign in this year's singles event making it to the semi-final where she met fellow team member – Leanne Wilson.

Leanne went on to play the reigning singles champion – Tori Kewish in an amazing game of darts. Unfortunately, despite finding some amazing darts it was not enough to come away with the win.

In the Men's draw both Mitchell and Mark won their ways through to the Top 8 but could not maintain their winning streaks.

The team recorded 40 180's over the course of the championships.

Mitchell recorded the highest men's average (82.9) for the second year in a row securing his place in the Australian Representative team.

Leanne also secured the reserve position for the Ladies Australian representative team set to compete in Romania.

NSW Junior Darts

NSW Junior Darts is one of the longest running junior associations in Australia. Junior darts cater to children between the ages of 5 and 18 with anyone under the age of 13 being classed as a sub-junior.

Juniors host 3 state championships per year and 2 youth events with world ranking points each calendar year. These players are also encouraged to play in as many open events as possible to broaden their horizons and increase their skill.

Unfortunately, a full report of the Champions of the Junior events is currently unavailable. NSW Darts hopes that moving forward full results from these events can be made available to all members.

The Singles competition saw fierce competition from all players with players staying until the bitter end to see who would leave victorious. Unfortunately, the extent of the competition had negative impacts on many players included the winner of the Men's event as flights home were missed as games were fought over by all players.

Stand out performances were displayed by Adam Rowe with a 31.312 average in the quarter finals whilst Stuart Coburn produced a 32.80 average in his attempt to reach the final.

The Ladies competition was just as fierce as with standout performances from Leanne Wilson producing a 26.684 average in her quarter final match and Tori Kewish producing a 27.247 to then defeat Leanne in the Semi Finals.

Great Lakes NSW Open

The Great Lakes Open was held in November of 2019. Unfortunately, due to the ongoing bushfire crisis ('Black Summer') in New South Wales it was difficult for regular players to attend which saw a decline in numbers for this year. This did not detract from the quality of darts with 47 180's recorded and a high peg of 161 from Brenden Porter and 118 from junior Gemma Spence.
